RECEIVING INSPECTION REPORT

3PL RECEIVING FORM · COMPLETE AFTER DELIVERY

After delivery, email this completed report back to your Stark procurement contact. Include every signed BOL or proof of delivery and photos showing the truck or trailer (if applicable), pallet condition, and any damaged items.

Use the PRO number for LTL, or the tracking number for FedEx, UPS, or USPS.

Shipment and receiving details

Vendor PO#	Shipping method	Expected delivery	Tracking / PRO number

Received by	Date received	Time received	Time zone

Truck / trailer damage or tampering	Pallet damage or tampering

Shortage quantity = packing slip quantity − received quantity, with a minimum of zero.

Line items

Enter received counts, shortages and damage status. Use short photo references, such as P1, and include the PO and model in each photo filename.

Model #	Actual ordered	Packing slip	Received	Shortage	Shortage qty	Damages	Photo refs

Delivery evidence and arrival notes

Attach the files to your reply. Label truck, pallet and model photos so they can be matched to this PO.

Signed BOL / POD filenames	Truck / trailer photo filenames	Pallet photo filenames

Describe seal, wrap, load condition or visible damage
